

# Lift and Tilt

For the ultimate in precise positioning, nothing is better than a lift and tilt table. Operators control the height of the load as well as the angle of access. These units are ideal for handling parts in shallow containers, totes or gaylords. They are available in Hydraulic, Pneumatic, and Floor Level styles.

## FLOOR LEVEL LIFT & TILT

### Features:

- 2000 - 4000 lb capacity
- 33" vertical travel
- 30 degree tilt
- Pedestal mounted control available
- Optional foot control available
- External 1 HP 115/1/60 power unit
- Optional power units available
- Floor level lowered height
- No ramps or pit required
- Custom designs available
