

## Suite Touchless Primary Duty Mop

### Application

Suite Touchless Primary Duty Mop minimizes operator handling of both clean and dirty mop pads. It provides a consistent and liberal application of disinfectant. The Suite fiber effectively removes surface contamination. This mop is ideal for walls, ceilings and floors because of its thick and absorbent pad. The touchless design saves time spent between changing pads.

### Product Information

#### Mops Pads:

- Sterile:
  - Y-TL-517-1S
  - Y-TL-517-25S
- Non-Sterile:
  - Y-TL-517-25

**Mop Frame:** Y-10516-AANK-2

#### Replacement Strips:

- Sterile:
  - Y-10516-50IR
- Non-Sterile:
  - Y-10516-50
