

CLEANROOM SUPPLIES

SUITE® PENS & MARKERS

DESCRIPTION

These gamma irradiated Sharpies® are perfect for all your clean room labeling needs. Choose between a fine point or an extra fine tip for your exact needs. These markers have industrial strength ink for alcohol-resistance and the same quality you know and expect from Sharpie® now in pre-sterilized form.

PRODUCT INFORMATION

Part Numbers:

- **IRR Sharpie:** BP-SHARPIE-IR
- **IRR Sharpie Extra Fine Point:** BP-SHARPI-EF-IR
- **IRR Sharpie Retractable:** BP-SHAR-RT-IR

DESCRIPTION

Maintain clean room sterility with these gamma irradiated pens. Their triangular design provides a sturdy grip and ensures the pens will not roll off tables or writing surfaces.
