Part Numbers	A-FKMW-Size-IR A-FKMWCOLZ-Size-IR (with Collar)
Description	Cleanroom Microporous Laminated Frock – Gamma Irradiated
Supplier	Benchmark Products
Size	Small – 7X
Color	White
Material	Microporous material manufactured with a clean non-woven laminated PE film
Material Basis Weight	56 grams
Tensile Strength	MD= 25.8 N/5cm TD= 19.4 N/5cm
Packaging	5 per bag, 6 bags per case
